

# Let Your Love Light Shine...

## Partners of Stoughton Hospital Love Light Fundraiser

The Partners of Stoughton Hospital's Love Light Program provides a way to honor loved ones while also giving back to your local non-profit hospital. Each December our lobby is decorated with trees whose lights have special meaning.

- White lights in memory of those who have passed away
- Red lights in honor of loved ones, friends or special occasions
- Blue lights pay tribute to those who have served or are currently serving in our U. S. military

### Love Light Tree Lighting Ceremony

#### Thursday, December 3, 2009
